Gainix AI
Reward System Overview

Transforming Traditions, Empowering Future

AI Mega Trend: The Unstoppable Rise of AI

GAINIX AI

The combined market capitalization of just four AI tech giants—NVIDIA, Microsoft, Apple, and Google—now surpasses the total number of approximately 9,000 publicly listed companies.

NVIDIA, the Global Leader in AI and Computing Power,

Surpasses $2.55 Trillion in Market Capitalization

GAINIX AI - ABOUT US

Gainix AI is a Singapore-based automated trading company that provides secure and transparent daily digital income to people through advanced AI technology. Our system is built on advanced data analysis, risk management, and smart trading logic — empowering users to earn daily income even without any prior experience.Founded in 2022 in Jurong Town, Singapore, Gainix is the result of a shared vision by experienced traders, AI scientists, and global investment experts, with the mission to provide financial freedom to every individual through the power of technology.

GAINIX AI : OUR COMMITMENT

Transparency First:- *Every transaction, every income, and every plan will be fully transparent and easily trackable.*

AI-Powered Growth:- We utilize the most advanced AI systems to grow your income in an automated and secure manner.

Learn and Lead :- *You won't just earn; you'll also learn trading and leadership skills to grow with confidence.*

Unlimited Opportunity:- No level limits, no binary systems — just pure income based on your efforts and team growth.

User Fund Security:- The safety of your capital is our highest priority.

OUR MISSION

GAINIX∧I

To create a future where everyone can earn daily income through the power of AI trading — without requiring any experience, effort, or time.We aim to provide a transparent, automated, and secure platform that empowers millions of people to achieve financial freedom.

OUR VISION

To become the world's most trusted AI income platform — where technology trades for you, and growth never stops.We envision a global network where anyone, from any background, can grow wealth passively through smart automation.

AI Redefines the Rules —
Traditional Tech Fades into Obsolescence

GAINIX ∧ı

| **High-Frequency Trading** | AI processes global market data 100,000x faster than humans, executing over one million trades daily. |

| **Risk Management** | AI predicts systemic risks and black swan events up to 72 hours in advance. |

| **AI-Driven Investment Advisory** | AI builds personalized portfolios, cutting advisory costs by over 80%. |

From cognition to execution, AI powers a millisecond-level, closed-loop investment engine—reshaping modern finance.

Three Core Business Pillars of GAINIX AI

GAINIX ∧I

1

Global AI-Driven Asset Allocation

Optimizing portfolios across markets with multi-modal AI.

2

Integrated WealthTech Platform

Delivering full-stack quant trading and AI-managed investment services.

3

Empowering Institutions & Family Offices

Providing strategic intelligence, centralized risk control, and asset visualization tools.

GAINIX AI – FOUR CORE INCENTIVE MECHANISMS

GAINIX∧I

To encourage team building and strengthen community-driven participation, **Gainix** has established four core incentive mechanisms:

Staking Reward

➤ You are the owner of your fund.
➤ You can invest and withdraw whenever you want.
➤ Your fund is safe.

Multi-Level Referral Reward

➤ **Direct referrals**: Earn **15%** of their daily yield.
➤ **Indirect referrals**: Earn **10%** of their daily yield.

Star Tiered Reward System

➤ A **performance-based reward ladder**.
➤ Higher ranks unlock **higher bonus shares** from team earnings.

Referral Income

➤ if you refer someone and get them to stake for long term then you will get referral income 5% and 7% ..

➤ The structure is designed to ensure true **inclusivity** — *Everyone can participate, and everyone benefits.*

GAINIX AI FUND PROFIT SHARING MECHANISM

ALL AI FUND ON GAINIX PLATFORM FOLLOW THE CLEAR DISTRIBUTION STRUCTURE

❖5% of fund returns are allocated as management fees
❖50% are distributed platform profit

❖45% are paid as user investment earning

Investment option :-
User can choose from multiple investment
Durations (flexible 90 , 180 , 450 days)

STAR TIERED REWARDS

Advancement Through Ranks

Users can advance through star ranks by building their team and unlock corresponding team profit shares.

Becoming a Star

•To become a star, users must stake at least **20 USDT** and refer one valid user (who also stakes 20 USDT).

Team Reward - Rank-Gap Model

Team rewards follow a **"rank-gap" model**. Users earn only the difference between their rank and that of their direct downline.

Horizontal Commissions (Same-Rank Bonuses)

These grant **20% of the team earnings** once. Once surpassed, the bonus is **forfeited**.

STAR TIERED REWARD SYSTEM

Rank	Depth Business Volume Requirement	Referral Requirement	Bonus Rate (% of team earnings)	Reward Cap (Includes both team bonus and referral)
BASIC	Self Investment $20	----	----	1 X of your investment
1 Star	$2000 volume in total team & $500 volume in direct	Refer 1 active user	20%	1× personal investment
2 Star	$10,000 volume in total team	Refer 2, 1-star users	30%	2× personal investment
3 Star	$30,000 volume in total team	Refer 2, 2-star users	40%	3× personal investment
4 Star	$100,000 volume in total team	Refer 2, 3-star users	50%	4× personal investment
5 Star	$300,000 volume in total team	Refer 2, 4-star users	60%	5× personal investment
6 Star	$1,000,000 volume in total team	Refer 2, 5-star users	70%	6× personal investment
7 Star	$3,000,000 volume in total team	Refer 2, 6-star users	80%	7× personal investment
8 Star	$10,000,000 volume in total team	Refer 2, 7-star users	90%	8× personal investment
9 Star	$30,000,000 volume in total team	Refer 2, 8-star users	100%	9× personal investment
